

## Dalhousie District Golf Association.

The 2012 pennant season Romsey entered one Scratch team and one Handicap team. The captains were;

**Scratch** - Mat Hall. **Handicap** - Neil Jarman.

The 2012 season got off to a good start:

The **Scratch** team narrowly lost their first match and then won the next two.

The **Handicap** team won their first three matches.

After three rounds both teams were in with a good chance of making their respective finals.

The 4th round saw Scratch have a bye and host the other four teams in their division. Handicap recorded their first loss of the season going down 0/7 to Woodend at Woodend. Both teams still had a good chance to make the 2012 finals, a win, no matter how narrow would get them in.

The final two matches, on April 29th, were hard fought with the Scratch team going down narrowly, 3/4, to Trentham at Mt Macedon. This loss put our scratch out of contention. The handicap team fought out a narrow win, 4/3 against Lancefield at Hidden Valley.

**2012 Pennant Final.** Our Handicap Team travelled to Broadford on Sunday May 6th for their final against Woodend. In a tough match our boys were able to pull off a great win, 4/3. This is the club's 15<sup>th</sup> pennant shield.

**Congratulations** to Neil Jarman (C), Graeme Clement, Craig Wood, Tony Freeman, Ron Walker, Les Gaunt, John Freestone, Tyson Ellis and Andrew Laing on their victory.
