The 2012 Romsey Challenge Bowl

The 20th Romsey Bowl was held on the 10th May. The board included teams from Alexandra, Avenel, Bacchus Marsh West, Broadford, Euroa, Lancefield (2), Kilmore, Trentham, Woodend (2), and Yea Golf Clubs. Dalhousie District President - Helen Findlay, Dalhousie District Captain - Liz Gee and Lesley Rundle from Marysville also played.

The tournament began under almost perfect conditions; sunshine, slightly warm and not a breath of wind so players were looking forward to a good day's golf and perhaps some handicap breaking rounds.

The course was well prepared and really looked its best for the tournament. A number of players commented that it was in the best condition anyone could remember, a fitting tribute to the members, men & women, who volunteer their time to maintain and improve the course.

During the round players were supplied with cups of soup, snacks and other refreshments from the travelling "Cushman"

The winner of the 20th Romsey Challenge Bowl was **Broadford** with 91pts - Annette Zol (15) 33 pts, Cheryle Andersen (11) 30 pts and Coral May (28) 28 pts. Maureen Warrener (Woodend) presented the prizes, hybrid clubs, to the winners. Made To Measure Golf Clubs donated the prizes.

Virginia Newell, who originally donated "The Romsey Bowl" trophy, was on hand to present the Bowl to the winning team.
