In 2022, or centenary year, the committee decided to introduce an RGC Hall of Fame and RGC Legends. The initial selection committee, Andrew Clement, Beryl Cole & Kevin Dunn, spent many hours reviewing the history of the club and discussing the merits of many individuals who had done far more than just play golf at Romsey. Their initial recommendations were adopted by the committee and the presentations were made at our Centennial Dinner at the Romsey Mechanics' Institute on Sat March 26<sup>th</sup>.
