Romsey Golf Club

NB: While there are many gaps in our club shields Trevor Turnham was able to uncover a great deal of information during 2020/21 as he researched the club's centenary book, "**Romsey Golf Club, The 1st 100 Years**". We have included all of Trevor's data below. **In 2022** it was decided to reallocate some shields and introduce one new one to accommodate the men's A, B & C Grade Nett winners.
